Revised 4/1/2011

WATER ANALYSIS REQUEST

We would be happy to test your water for **FREE!** Just send us a sample and we will provide results within 1-2 business days of receipt.

To collect your sample, use a thoroughly rinsed and clean 16 oz. water bottle. Run your water for about 10 minutes prior to filling the bottles as water sitting in pipes for some time can alter the results.

Fill **at least 12 oz. of water** from your tap. We must have at least 12 oz. to run adequate testing.

Please print and fill out this form (2 pages) and mail along with your sample to:
